

PROGRAM SPONSORSHIP OPPORTUNITY

Community Thread strives to create a community where all people are engaged, enriched and connected. One of the ways we do this is through Holiday Hope – a service initiative that supports individuals and families during the holiday season.

With the help of volunteers and sponsors, Holiday Hope provides a holiday meal and individually chosen gifts to families and individuals in need during the holiday season.

Last year, this program helped 1,137 individuals (including 608 children) right here in our local community. All of the donations collected through Holiday Hope go to youth, families, older adults and adults with disabilities who live in the Stillwater Area School District.

As a sponsor of our Holiday Hope program, you provide hope to local families and individuals during the holidays and support our vital mission too.

At Community Thread, we leverage resources and volunteers to improve the quality of life for adults and their families in our local community.

Your sponsorship helps us ...

ENGAGE older adults in activities that enhance their well-being

ENRICH the lives of those who experience financial hardship during the holidays

CONNECT volunteers to older adults who wish to live independently

Please join us as a Program Sponsor. Together, we can build a stronger, healthier, more connected community.
